

# Solar on Residential Homes

*Sponsored by the Tredyffrin Township Environmental Advisory Council*

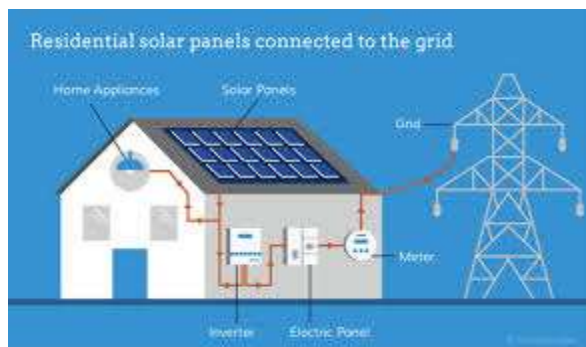

**Sunday September 30, 2018**

**2 – 4 pm at the Tredyffrin Library**

582 Upper Gulph Road, Wayne

Interested in learning more about solar energy? As part of the Clean Energy Series, sponsored by the Tredyffrin Township EAC, we will take a close look at this form of renewable energy. In this presentation we will discuss solar on residential homes and explain “Solarize” (joint, bulk purchase of solar with fellow residents).

Please Join presenters: George Alexander (Solarize Media), Rutger Boerema and Jennifer Cox to learn about residential solar and how we can support a renewable energy future in Tredyffrin Township. All are welcome!

We hope you can join us...and bring a friend or two.

Also, in September:

**Learn about Electric Vehicles!**

Visit the Environmental Advisory Council booth at Tredyffrin Township's **'Party in the Park'** – September 15<sup>th</sup>, in Wilson Farm Park from 4 – 7 pm.

A variety of electric vehicles will be on display at the EAC booth. The owners will also be available to tell about their experiences and answer your questions. Please come, have fun, and find out what it's really like to own an electric car!
