

**INSTRUCTIONS TO VOTER**

1. TO VOTE YOU MUST COMPLETELY BLACKEN THE OVAL (●) TO THE LEFT OF YOUR CHOICE. An oval (○) blackened to the left of any candidate indicates a vote for that candidate.
2. To vote a Straight Party Ticket, completely darken the oval next to the Party for which you wish to vote. This will automatically cast a vote for all candidates of your chosen Party, in all contests. You may also vote for candidate(s) of another Party, in a specific contest, by completely darkening the oval next to his or her name. This action will not void your Straight Party vote for other candidates, in other contests.
3. To cast a write-in vote for a person whose name is not on the ballot, you must blacken the oval to the left of the line provided, and print the name in the blank space provided for that purpose.
4. To vote in FAVOR of a Question, fill in the oval to the left of the word YES. To vote AGAINST a Question, fill in the oval to the left of the word NO.
5. Use **only** a black pen or marker.
6. If you make a mistake **DO NOT ERASE**. Ask for a new ballot.

In Harrisburg, Bob focused on making government more transparent and responsive to the needs of Pennsylvanians. Since he was elected to the U.S. Senate, Bob has worked to create family-sustaining jobs and foster financial security for Pennsylvania families; protect our children and invest in their futures; ensure safety at home and respect for America abroad; pass common-sense gun safety reforms, promote honesty and accountability in government; preserve the dignity of the vulnerable of all ages among us; and advocate for his constituents and help them solve the problems they face. <https://bobcasey.com/>

**CHRISSE HOULAHAN for  
US House 6<sup>th</sup>

Chrissy earned her engineering degree from Stanford with a ROTC scholarship and an M.S. in Technology and Policy from MIT. She served three years active duty as a Captain in the US Air Force and 13 years in the Reserve. As COO of AND1 Basketball, it grew from a start-up to a major apparel company. She co-founded B-Lab (a nonprofit that promotes B Corporations and good business practices). As your member of Congress, she will work to expand access to affordable healthcare, quality education, and programs that improve the economic security for Pennsylvania families. **TOM WOLF  
for Governor**

Running for re-election, Tom has battled a Republican majority in both the PA House and Senate for adequate funding for education, social services, infrastructure and fair elections. He fully restored the \$1 billion cut to education made under the Corbett administration. He was at the forefront in the battle to secure a fair congressional map for Pennsylvania and will fight to end gerrymandering. He will continue to stand up to Donald Trump's attempts to gut Medicaid, increase premiums, charge seniors an age tax, and strip coverage from people with pre-existing conditions. He is committed to commonsense gun safety reform, criminal justice reform and 21<sup>st</sup> century voting reforms. He supports a permanent ban on hydraulic fracturing in the Delaware River Basin. Governor Wolf signed a bill that legalized medical marijuana. He secured funding for 45 drug treatment centers. He is Pennsylvania's last defense against steep cuts to vital programs and turning back the clock on women's reproductive rights. <https://www.wolfforpa.com/>

**JOHN FETTERMAN for  
Lt. Governor**

John is a native Pennsylvanian and the mayor of Braddock, PA since 2005. He led the revitalization of this economically depressed town in the Pittsburgh suburbs. Applying what he'd learned as an AmeriCorps volunteer and from Harvard's Kennedy School of Government, he focused on finding solutions that have turned Braddock into a growing, thriving community. Mayor John officiated one of the first same-sex marriages in the commonwealth. In 2016, he decided to run for U.S. Senate to represent the struggling towns all over Pennsylvania that have gotten a raw deal. He shocked the establishment by earning 20% of the vote in a 4-way race and winning Allegheny County, the 2nd-largest in the state. John emerged as one of Pennsylvania's leading progressive voices for working people, running on issues like inequality, racial justice, and ending the failed war on drugs. He is committed to building a stronger PA, so that every child born here has an equal shot, regardless of zip code. <https://johnfetterman.com>

**MELISSA SHUSTERMAN  
PA House, District 157**

Melissa is a 4th-generation resident of the Phoenixville area and a Conestoga graduate. She attended Lafayette College and has a Master's in Media Studies from American University. She worked for a number of start-ups and national media companies such as The Food Network, VH1, fx, HGTV, MTV, QVC and fuse network, and then founded her own business, Fedora Media, a digital video production company. Melissa is not a career politician, but a passionate citizen and small business person who loves her community and is fed up with the political gridlock in Harrisburg. As Representative, Melissa will fight to put Pennsylvania on the path to fiscal responsibility, adequately fund education, ensure fair elections, protect our seniors, and our environment. She has been endorsed by PA AFL-CIO, NOW of SEPA, PSEA, AFSCME District Council 88, Sister District, and many others. [www.melissashusterman.com](http://www.melissashusterman.com)
