## Common Sense Gun Laws

Everyday we are faced with the horrors inflicted by gun violence. A majority of Americans favor more stringent gun regulations which can protect public safety while respecting the second amendment. Marybeth Christiansen, Co State Chapter Lead, Pennsylvania Moms Demand Gun Action for Common Sense in America joins us to discuss what can and should be done.

Moms Demand Action for Gun Sense in America is a single issue, nonpartisan, all volunteer organization that seeks common sense solutions to the uniquely American scourge of gun violence.

Please join us as we discuss what can and should be done to reduce gun violence in America.
