TREDYFFRIN TOWNSHIP DEMOCRATIC SAMPLE BALLOT QUESTIONS

PROPOSED CONSTITUTIONAL AMENDMENT 1	PROPOSED CONSTITUTIONAL AMENDMENT 2	PROPOSED CONSTITUTIONAL AMENDMENT 3	STATEWIDE REFERENDUM -ACT 2020-91
TERMINATION OR EXTENSION OF DISASTER EMERGENCY DECLARATIONS Shall the Pennsylvania Constitution be amended to change existing law and increase the power of the General Assembly to unilaterally terminate or extend a disaster emergency declaration—and the powers of Commonwealth agencies to address the disaster regardless of its severity pursuant to that declaration—through passing a concurrent resolution by simple majority, thereby removing the existing check and balance of presenting a resolution to the Governor for approval or disapproval? ☐ YES ☒ NO 	DISASTER EMERGENCY DECLARATION AND MANAGEMENT Shall the Pennsylvania Constitution be amended to change existing law so that: a disaster emergency declaration will expire automatically after 21 days, regardless of the severity of the emergency, unless the General Assembly takes action to extend the disaster emergency; the Governor may not declare a new disaster emergency to respond to the dangers facing the Commonwealth unless the General Assembly passes a concurrent resolution; the General Assembly enacts new laws for disaster management? ☐ YES ☒ NO 	PROHIBITION AGAINST DENIAL OR ABRIDGEMENT OF EQUALITY OF RIGHTS BECAUSE OF RACE OR ETHNICITY Shall the Pennsylvania Constitution be amended by adding a new section providing that equality of rights under the law shall not be denied or abridged because of an individual's race or ethnicity? ☒ YES  ☐ NO KEY ARGUMENTS: • This amendment creates a constitutional prohibition against restricting or denying an individual's equal rights under Pennsylvania law because of race or ethnicity. • This amendment applies to all Pennsylvania state, county and local governmental entities, and guarantees equality of rights under the law. • If approved, the General Assembly may pass new laws to implement the amendment, but it may not pass a law inconsistent with it. 	MAKING MUNICIPAL FIRE AND EMERGENCY MEDICAL SERVICES COMPANIES ELIGIBLE FOR LOANS Do you favor expanding the use of the indebtedness authorized under the referendum for loans to volunteer fire companies, volunteer ambulance services and volunteer rescue squads under 35 PA.C.S. §7378.1 (related to referendum for additional indebtedness) to include loans to municipal fire departments or companies that provide services through paid personnel and emergency medical services companies for the purpose of establishing and modernizing facilities to house apparatus equipment, ambulances and rescue vehicles, and for purchasing apparatus equipment, ambulances and rescue vehicles, protective and communications equipment and any other accessory equipment necessary for the proper performance of the duties of the fire companies and emergency medical services companies? ☒ YES  ☐ NO
KEY ARGUMENTS: • This will severely limit the Governor — and any future governor — of the ability to keep our Commonwealth safe from disasters. • When disasters strike and lives are at stake, we do not have time to wait for 253 politicians in Harrisburg to have a political debate. We need the Governor to act quickly and decisively. • This amendment may undo all the progress made on mitigating the spread of COVID-19 or any other future crisis. • It may also leave PA as the only state in the country without an emergency plan in place for COVID-19. • Disasters are NOT political, and should NOT be subject to a political process.	KEY ARGUMENTS: • This strips the Governor — and any future governor — of the ability to keep our Commonwealth safe from disasters. • Disasters do not have a time limit. It is impossible to predict how or how long the impacts of a disaster will affect any one community. • This again subjects disaster emergency declarations to the political winds. We are all Pennsylvanians and when any Pennsylvania community is hit with a disaster, all of us share their pain. • This amendment may undo all the progress made on mitigating the spread of COVID-19 or any other future crisis.	KEY ARGUMENTS: • This referendum question would make municipal fire departments or EMS companies eligible to apply for loans from an already existing state loan program. • Currently, municipal fire departments or EMS companies are not authorized to apply for loans from this program. • These loans would allow fire & EMS companies to replace outmoded or unsafe equipment and buildings to meet the increased demands for service. • This referendum would only expand the pool of eligible loan applicants, not create more debt.
